

Hands-Off Policy

The College has a Hands-Off Policy as all students have the right to feel physically safe at school.

No student should touch another student or their property inappropriately. In the general running of a school day inadvertent touch will occur and is to be expected. Also as part of the normal running of classes it may be appropriate for students to be touching. Students are constantly reminded of their rights and responsibilities in this area and are asked to adhere to the College expectations and rules. If breaches occur normal discipline procedures are to be followed.
